

SEREGO ALIGHIERI

ENCHANTMENT & RELAXATION IN VALPOLICELLA

*Treat yourself to a holiday dedicated to finding
your mind and body balance again*

Come and relax in the setting of the soft hills of Valpolicella Classica; have a glass of wine and stay in an apartment in the welcoming Foresteria Serego Alighieri, the historic home of Dante the Poet's descendants since 1353, just a few kilometres from Verona.

Welcoming you to your rooms there will be a bottle of wine from the estate, a "Possessioni Bianco", and an inviting basket of fresh fruit. We'll take you on a special visit to the Cellars and the Estate, walking through the gardens and the vineyards owned by the property. And we'll finish with a delightful tasting of our wines.

To complete your visit with a real taste of wellbeing, we will book a visit for you to the wonderful Parco Termale Aquaredens in Pescantina in Valpolicella, where you can experience the delights of spa water and be pampered in the wellness zone.
