

SEREGO ALIGHIERI

## FULL IMMERSION IN NATURE

*Avoid the stress of daily life;  
find your balance with Nature again*

Enjoy a weekend in the gentle hills of the Valpolicella Classica region, bringing your family to stay in the welcoming **Foresteria Serego Alighieri**, the historic property just outside Verona that's been owned by descendants of the poet Dante since 1353.

You'll have a bottle of the family wine, a Possessioni Bianco, waiting for you in your apartment and an inviting basket of fresh fruit. You will **tour the Winery and the Estate**, walking through its gardens and vineyards, and you'll get to know more about the region and taste a selection of Serego Alighieri wines, including its famous Amarone. Based at the Foresteria, you can also discover the natural delights of the Valpolicella region with visits recommended by staff to places such as the Molina Waterfall Park, the Tibetan Bridge or San Giorgio di Valpolicella, one of Italy's most beautiful villages.

Finally, to perfect your stay, we will give you a family ticket to visit the **Parco Natura Viva** of Bussolengo, a natural zoological garden for endangered animal species that celebrates its first 50 years of activity this year, where you can take part in an exciting safari and visit the Wildlife Park.
